INDEPENDENT AUDITOR'S REPORT

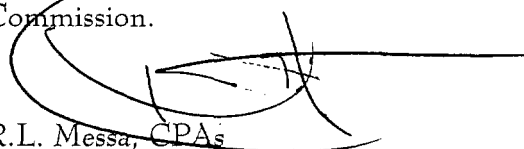

To the Partners of
GARNET FUND L.P.

We have audited the accompanying balance sheet of **GARNET FUND L.P.**, (a New York Partnership) as of December 31, 2003, and the related statements of income, partner's equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **GARNET FUND L.P.**, as of December 31, 2003 and results of its operations and its cash flow for the year then ended in conformity with generally accepted accounting principles.

Our examination was made for the purpose of forming a reasonable basis for an opinion on the basic financial statements taken as a whole. The information contained on pages 12-13, is presented for purposes of additional analysis and is not required as part of the basic financial statements but as supplementary information required by Rule 17a-5 of the Securities and Exchange Commission. Such information has been subject to the auditing procedures applied in the examination of the basic financial statements and in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole and in conformity with the rules of the Securities and Exchange Commission.

GARNET FUND L.P.

Notes to Financial Statements

December 31, 2003

Note 1 - GENERAL BUSINESS

The sources of revenue are income from firm investment accounts. GARNET FUND L.P. (the "Partnership") primarily clears its brokerage activity through Bear, Stearns Securities Corp., a New York Stock Exchange member and secondarily through Investec Bank (UK) Limited (Irish branch) ("Investec"), a member of the London Stock Exchange and the Irish Stock Exchange. Effective November 13, 1995, the Company is a registered broker/dealer with the National Association of Securities Dealers and a member of the Securities Investor Protection Corporation.

Note 2 - SIGNIFICANT ACCOUNTING POLICES

Cash and Cash Equivalents

For the statement of cash flows, the Partnership includes cash on deposit and money market funds with maturities less than three months to be cash.

Investments

The Partnership carries all marketable securities at market value. Cost basis of marketable securities at December 31, 2003 and 2002 are marked up to market value pursuant to NASD rules.

Certain Significant Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities, and reported revenue and expenses. Actual results could vary from the estimates that were assumed in preparing the financial statements.

Note 3 - INCOME TAXES

The Partnership prepares its income tax returns on the accrual basis of accounting. As a result of differences in income tax law and financial statement presentation, various items of revenue and expenses may be recognized in different periods for book and tax accounting purposes. Since the entity does not pay income tax as an entity, rather the individual partners report their pro-rata share of taxable income on their respective income tax returns; these differences do not have any effect on these financial statements.

GARNET FUND L.P.

Note 5 - OVERHEAD EXPENSES

Overhead expenses have been charged to the Partnership in accordance with the Limited Partnership Agreement at the rate of 0.2083% of monthly Partnership Net Asset Value.

Note 6 - MINIMUM NET CAPITAL

As a registered broker-dealer, the Partnership is required to maintain minimum "net capital" defined as the greater of 1) a computation, whereby "required net capital" consists of 6-2/3% of "aggregate indebtedness" as these terms are defined in accordance with the provisions of Rule 15c3-1 of the Securities Exchange Commission or 2) a minimum net capital of \$100,000.

At December 31, 2003 the partnership had "excess net capital" in the amount of \$1,477,236.

Partners' Capital may be restricted as to the availability for the payment of returns of capital. Operations may be restricted in order to maintain the required "net capital".

Should the partnership fail to maintain such capital requirements, it could be subject to sanction or possible suspension.

GARNET FUND L.P.

Notes to Financial Statements

December 31, 2003

Note 7 - RELATED PARTY TRANSACTIONS

The General Partner, Garnet Capital Management LLC, receives a monthly management fee equal to 0.125% of the Net Asset Value of each Limited Partner's Book Capital Account as defined and adjusted in the Limited Partnership Agreement as well as reimbursement of non-transactional expenses as described in Note 5.

Note 8 - SEC RULE 15C3-3 Exemption

The Company has claimed exemption from rule 15c3-3 based on the fact that all transactions are cleared through Bear, Stearns Securities Corp. on a fully disclosed basis. Report on System of Internal Accounting Control

To the Partners of
GARNET FUND L.P.

We have examined the financial statements of **GARNET FUND L.P.** for the year ended December 31, 2003 and have issued our report thereon. As part of our examination, we made a study and evaluation of the Partnership's system of internal accounting control (which includes the procedures for safeguarding securities) to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards. The purpose of our study and evaluation, which included obtaining an understanding of the accounting system, was to determine the nature, timing and extent of the auditing procedures necessary for expressing an opinion on the financial statements.

We also made a study of the practices and procedures followed by the Partnership in making the periodic computations of aggregated indebtedness and net capital under Rule 17a- 3(a)(11) and the procedures for determining compliance with the exemptive provisions of Rule 15c3(b)(3). We did not review the practices and examinations, counts, verifications and comparisons, and the recordation of differences required by Rule 17a-13 or in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Partnership does not carry security accounts for customers or perform custodial functions relating to customer securities.

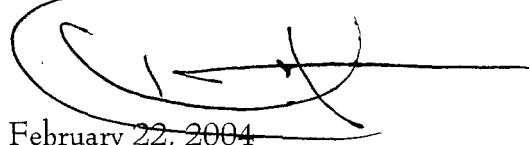

The management of the Partnership is responsible for establishing and maintaining a system of internal accounting control and practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures and the practices and procedures can be expected to achieve the Commission's above-mentioned objectives. The objectives of a system and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal accounting control procedures or the practices and procedures referred to above, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the degree of compliance with them may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of **GARNET FUND L.P.**, taken as a whole. However, our study and evaluation disclosed no condition that we believed to be a material weakness.

We understand that practices and procedures that accomplish the objective referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures were adequate at December 31, 2003 to meet the Commission's objectives.

This report is intended solely for the use of management and the Securities and Exchange Commission and should not be used for any other purpose.
